21. [redacted] LIAISON Called Ed Levine. Senate Select Committee on Intelligence staff, and told him that [redacted] who he had asked to meet with, regarding the Frank Carlucci nomination, had retired and would be in Florida until about the first of February. I said there was a possibility we could get in touch with him through one of his children but could not guarantee it. Levine said he was not sure how to proceed now and would have to think about it.

Levine also indicated he had heard that a man named [redacted] is claiming past association with the Congressional relations office at CIA. Apparently the man is advertising his services. I told Levine I had never heard of anyone by that name in this office but would check and let him know.

22. [redacted] FOIA Mark Vanderlist, office of Representative Clarence D. Long (D., Md.), called in regards to obtaining a copy of the declassified two volume CIA study on the "Rote Kappelle". Since this study is obtainable through the National Archives, I provided Mr. Vanderlist with the necessary mailing address and telephone number.

23. [redacted] LIAISON Per her request, mailed to Donna Lavigne, on the Senate Committee on Governmental Affairs Subcommittee on Energy, Nuclear Proliferation and Federal Services, an unclassified Agency publication entitled "International and Transnational Terrorism, 1976."
